

Designed to Gather: MAXWELL THOMAS[®] TANDEM SEATING

Maxwell Thomas
By Direct Supply

The Direct Supply[®] mission to deliver Healthcare Everywhere seamlessly aligns with the introduction of Maxwell Thomas' very first tandem seating collection. Maxwell Thomas curated this selection of frames, fabrics, finishes and accessories optimized for Acute environments like waiting rooms and high-traffic areas. This guide will help you select configurations for our newest innovation in acute seating. Cheers!

MINERSVILLE COLLECTION

The Minersville chair comes with ganging hardware that allows chairs to be fixed together. Please note that chairs can be standalone or ganged together with hardware (#3BBYC).
