

# What's new in Q2?

Explore the latest & greatest furnishings

It's no surprise the way staff and residents use Senior Living spaces has changed in recent years. This year, we're seeing top Senior Living manufacturers launch new products that were designed with durability, resident independence, and staff efficiency in mind.

Explore new products for 2024 in this guide and contact your Direct Supply representative for more information on any of the products featured.

## Fabrics

This year's fabric trends are a masterful blend of practicality and style. Expect durable, easy-to-clean materials with a touch of elegance. The spotlight is on cool tones and nature-inspired patterns, marrying function with contemporary design aesthetics.

## Common Area & Dining Room

Many of this year's products follow the same trend:  
Fostering community while maintaining cleanability and durability.

Communities are continuing to foster dedicated spaces for resident and family gatherings. Strategic design trends such as high-back chairs and products that promote cleanability allow for community to grow in a safe fashion.
